

**IL2RA Antibody**  
**Purified Mouse Monoclonal Antibody**  
**Catalog # AO1825a****Specification****IL2RA Antibody - Product Information**

Application	<b>E, WB, IF, IHC</b>
Primary Accession	<a href="#">P01589</a>
Reactivity	<b>Human, Mouse, Rat, Monkey</b>
Host	<b>Mouse</b>
Clonality	<b>Monoclonal</b>
Isotype	<b>IgG1</b>
Calculated MW	<b>30.8kDa KDa</b>

**Description**

The interleukin 2 (IL2) receptor alpha (IL2RA) and beta (IL2RB) chains, together with the common gamma chain (IL2RG), constitute the high-affinity IL2 receptor. Homodimeric alpha chains (IL2RA) result in low-affinity receptor, while homodimeric beta (IL2RB) chains produce a medium-affinity receptor. Normally an integral-membrane protein, soluble IL2RA has been isolated and determined to result from extracellular proteolysis. Alternately-spliced IL2RA mRNAs have been isolated, but the significance of each is presently unknown. Mutations in this gene are associated with interleukin 2 receptor alpha deficiency.

**Immunogen**

Purified recombinant fragment of human IL2RA (AA: 34-139) expressed in E. Coli.

**Formulation**

Purified antibody in PBS with 0.05% sodium azide

**IL2RA Antibody - Additional Information**

**Gene ID** 3559

**Other Names**

Interleukin-2 receptor subunit alpha, IL-2 receptor subunit alpha, IL-2-RA, IL-2R subunit alpha, IL2-RA, TAC antigen, p55, CD25, IL2RA

**Dilution**

E~~1/10000  
WB~~1/500 - 1/2000  
IF~~1/200 - 1/1000  
IHC~~1/200 - 1/1000

**Storage**

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

IL2RA Antibody is for research use only and not for use in diagnostic or therapeutic procedures.

## IL2RA Antibody - Protein Information

**Name** IL2RA

### Function

Receptor for interleukin-2. The receptor is involved in the regulation of immune tolerance by controlling regulatory T cells (TREGs) activity. TREGs suppress the activation and expansion of autoreactive T-cells.

### Cellular Location

Membrane; Single-pass type I membrane protein.

## IL2RA Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.
