

**RALA Antibody (C-term)**  
**Affinity Purified Rabbit Polyclonal Antibody (Pab)**  
**Catalog # AP18995b**

**Specification**

---

**RALA Antibody (C-term) - Product Information**

|                   |   |
|-------------------|---|
| Application       | WB,E  |
| Primary Accession | <a href="#">P11233</a>  |
| Other Accession   | <a href="#">P63322</a> , <a href="#">P63321</a> , <a href="#">NP_005393.2</a> |
| Reactivity        | Human   |
| Predicted         | Mouse, Rat  |
| Host              | Rabbit  |
| Clonality         | Polyclonal  |
| Isotype           | Rabbit IgG  |
| Calculated MW     | 23567   |
| Antigen Region    | 158-186   |

**RALA Antibody (C-term) - Additional Information**

**Gene ID** 5898

**Other Names**

Ras-related protein Ral-A, RALA, RAL

**Target/Specificity**

This RALA antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 158-186 amino acids from the C-terminal region of human RALA.

**Dilution**

WB~~1:1000

**Format**

Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification.

**Storage**

Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

RALA Antibody (C-term) is for research use only and not for use in diagnostic or therapeutic procedures.

**RALA Antibody (C-term) - Protein Information**

**Name** RALA

**Synonyms** RAL

**Function** Multifunctional GTPase involved in a variety of cellular processes including gene expression, cell migration, cell proliferation, oncogenic transformation and membrane trafficking. Accomplishes its multiple functions by interacting with distinct downstream effectors (PubMed:[18756269](#), PubMed:[19306925](#), PubMed:[20005108](#), PubMed:[21822277](#), PubMed:[30500825](#)). Acts as a GTP sensor for GTP-dependent exocytosis of dense core vesicles. The RALA- exocyst complex regulates integrin-dependent membrane raft exocytosis and growth signaling (PubMed:[20005108](#)). Key regulator of LPAR1 signaling and competes with GRK2 for binding to LPAR1 thus affecting the signaling properties of the receptor. Required for anchorage-independent proliferation of transformed cells (PubMed:[19306925](#)). During mitosis, supports the stabilization and elongation of the intracellular bridge between dividing cells. Cooperates with EXOC2 to recruit other components of the exocyst to the early midbody (PubMed:[18756269](#)). During mitosis, also controls mitochondrial fission by recruiting to the mitochondrion RALBP1, which mediates the phosphorylation and activation of DNM1L by the mitotic kinase cyclin B- CDK1 (PubMed:[21822277](#)).

#### Cellular Location

Cell membrane; Lipid-anchor; Cytoplasmic side. Cleavage furrow. Midbody, Midbody ring. Mitochondrion. Note=Predominantly at the cell surface in the absence of LPA. In the presence of LPA, colocalizes with LPAR1 and LPAR2 in endocytic vesicles (PubMed:[19306925](#)). May colocalize with CNTRL/centriolin at the midbody ring (PubMed:[16213214](#)). However, localization at the midbody at late cytokinesis was not confirmed (PubMed:[18756269](#)). Relocalizes to the mitochondrion during mitosis where it regulates mitochondrial fission (PubMed:[21822277](#))

#### RALA Antibody (C-term) - Protocols

Provided below are standard protocols that you may find useful for product applications.

#### RALA Antibody (C-term) - Images

RALA Antibody (C-term) (Cat. #AP18995b) western blot analysis in NCI-H460 cell line lysates (35ug/lane). This demonstrates the RALA antibody detected the RALA protein (arrow).

**RALA Antibody (C-term) - Background**

The product of this gene belongs to the small GTPase superfamily, Ras family of proteins. GTP-binding proteins mediate the transmembrane signaling initiated by the occupancy of certain cell surface receptors. This gene encodes a low molecular mass ras-like GTP-binding protein that shares about 50% similarity with other ras proteins.
