

**FXVD6 Antibody (C-term)**  
**Purified Rabbit Polyclonal Antibody (Pab)**  
**Catalog # AP20610c**

**Specification**

---

**FXVD6 Antibody (C-term) - Product Information**

Application	<b>WB, IHC-P, FC,E</b>
Primary Accession	<a href="#">O9H0Q3</a>
Other Accession	<a href="#">Q4R566</a>
Reactivity	<b>Human, Mouse, Rat</b>
Predicted	<b>Monkey</b>
Host	<b>Rabbit</b>
Clonality	<b>Polyclonal</b>
Isotype	<b>Rabbit IgG</b>

**FXVD6 Antibody (C-term) - Additional Information**

**Gene ID** 53826

**Other Names**

FXVD domain-containing ion transport regulator 6, Phosphohippolin, FXVD6

**Target/Specificity**

This FXVD6 antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 81-115 amino acids from the C-terminal region of human FXVD6.

**Dilution**

WB~~1:1000

IHC-P~~1:25

FC~~1:25

**Format**

Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification.

**Storage**

Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

FXVD6 Antibody (C-term) is for research use only and not for use in diagnostic or therapeutic procedures.

**FXVD6 Antibody (C-term) - Protein Information**

**Name** FXVD6 ([HGNC:4030](#))

**Function** Associates with and regulates the activity of the sodium/potassium-transporting ATPase

(NKA) which catalyzes the hydrolysis of ATP coupled with the exchange of Na(+) and K(+) ions across the plasma membrane. Reduces the apparent affinity for intracellular Na(+) with no change in the apparent affinity for extracellular K(+) (PubMed:[33231612](#)). In addition to modulating NKA kinetics, may also function as a regulator of NKA localization to the plasma membrane (By similarity).

#### Cellular Location

Cell membrane {ECO:0000250|UniProtKB:Q91XV6}; Single-pass type I membrane protein

#### FXYD6 Antibody (C-term) - Protocols

Provided below are standard protocols that you may find useful for product applications.
