Can also hydrate cyanamide to urea (PubMed:<a href="http://www.uniprot.org/citations/10550681" target="\_blank">10550681</a>, PubMed:<a href="http://www.uniprot.org/citations/11015219" target="\_blank">11015219</a>). Stimulates the chloride-bicarbonate exchange activity of SLC26A6 (PubMed:<a href="http://www.uniprot.org/citations/15990874" target="\_blank">15990874</a>). Essential for bone resorption and osteoclast differentiation (PubMed:<a href="http://www.uniprot.org/citations/15300855" target="\_blank">15300855</a>). Involved in the regulation of fluid secretion into the anterior chamber of the eye. Contributes to intracellular pH regulation in the duodenal upper villous epithelium during proton-coupled peptide absorption.

### Cellular Location

Cytoplasm. Cell membrane. Note=Colocalized with SLC26A6 at the surface of the cell membrane in order to form a bicarbonate transport metabolon. Displaced from the cytosolic surface of the cell membrane by PKC in phorbol myristate acetate (PMA)-induced cells

## Anti-Carbonic Anhydrase 2 Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)

## Anti-Carbonic Anhydrase 2 Antibody - Images

Western blot analysis of Carbonic Anhydrase 2 expression in HEK293T (A), HCT116 (B), rat brain (C) whole cell lysates.

Immunohistochemical analysis of Carbonic Anhydrase 2 staining in human lung cancer formalin fixed paraffin embedded tissue section. The section was pre-treated using heat mediated antigen retrieval with sodium citrate buffer (pH 6.0). The section was then incubated with the antibody at room temperature and detected using an HRP conjugated compact polymer system. DAB was used as the chromogen. The section was then counterstained with haematoxylin and mounted with DPX.

## Anti-Carbonic Anhydrase 2 Antibody - Background

KLH-conjugated synthetic peptide encompassing a sequence within the C-term region of human Carbonic Anhydrase 2. The exact sequence is proprietary.
