

PLAT Antibody
Rabbit mAb
Catalog # AP91051

Specification

PLAT Antibody - Product Information

Application	WB, IHC
Primary Accession	P00750
Reactivity	Rat
Clonality	Monoclonal

Other Names

TPA; T-PA; TPA1; PLAT; Tissue plasminogen activator;

Isotype	Rabbit IgG
Host	Rabbit
Calculated MW	62917 Da

PLAT Antibody - Additional Information

Purification	Affinity-chromatography
Immunogen	A synthesized peptide derived from human PLAT
Description	This gene encodes tissue-type plasminogen activator, a secreted serine protease which converts the proenzyme plasminogen to plasmin, a fibrinolytic enzyme. Tissue-type plasminogen activator is synthesized as a single chain which is cleaved by plasmin to a two chain disulfide linked protein. This enzyme plays a role in cell migration and tissue remodeling.
Storage Condition and Buffer	Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

PLAT Antibody - Protein Information

Name PLAT ([HGNC:9051](#))

Function

Converts the abundant, but inactive, zymogen plasminogen to plasmin by hydrolyzing a single Arg-Val bond in plasminogen. By controlling plasmin-mediated proteolysis, it plays an important role in tissue remodeling and degradation, in cell migration and many other physiopathological events. During oocyte activation, plays a role in cortical granule reaction in the zona reaction, which contributes to the block to polyspermy (By similarity).

Cellular Location

Secreted, extracellular space.

Tissue Location

Synthesized in numerous tissues (including tumors) and secreted into most extracellular body fluids, such as plasma, uterine fluid, saliva, gingival crevicular fluid, tears, seminal fluid, and milk

PLAT Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)

PLAT Antibody - Images

Western blot analysis of PLAT expression in human plasma lysate.
