

## **Calmegin Antibody**

Rabbit mAb Catalog # AP91670

#### **Specification**

## **Calmegin Antibody - Product Information**

Application WB, IHC, ICC, IP

Primary Accession
Reactivity
O14967
Rat

Clonality Monoclonal

**Other Names** 

CLGN; MEG 1 antigen; Calnexin-T; Calmegin precursor; Calmegin;

Isotype Rabbit IgG
Host Rabbit
Calculated MW 70039 Da

# **Calmegin Antibody - Additional Information**

Purification Affinity-chromatography

Immunogen A synthesized peptide derived from human

Calmegin

Description Functions during spermatogenesis as a

chaperone for a range of client proteins that are important for sperm adhesion onto the egg zona pellucida and for subsequent penetration of the zona pellucida. Required for normal sperm migration from the uterus into the oviduct. Required for normal male fertility. Binds

calcium ions (By similarity).

Storage Condition and Buffer Rabbit IgG in phosphate buffered saline ,

pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid

freeze / thaw cycle.

## **Calmegin Antibody - Protein Information**

#### **Name CLGN**

#### **Function**

Functions during spermatogenesis as a chaperone for a range of client proteins that are important for sperm adhesion onto the egg zona pellucida and for subsequent penetration of the zona pellucida. Required for normal sperm migration from the uterus into the oviduct. Required for normal male fertility. Binds calcium ions (By similarity).

#### **Cellular Location**

Endoplasmic reticulum membrane; Single-pass type I membrane protein

**Tissue Location** 

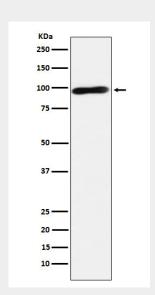

Detected in testis (at protein level). Detected in testis.

# **Calmegin Antibody - Protocols**

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- <u>Immunohistochemistry</u>
- Immunofluorescence
- <u>Immunoprecipitation</u>
- Flow Cytomety
- Cell Culture

# Calmegin Antibody - Images

Western blot analysis of Calmegin expression in Jurkat cell lysate.
