

ITGB8 Antibody (Center)
Purified Rabbit Polyclonal Antibody (Pab)
Catalog # AW5424

Specification

ITGB8 Antibody (Center) - Product Information

| | |
|-------------------|------------------------|
| Application | WB, IHC-P,E |
| Primary Accession | P26012 |
| Other Accession | P26013 |
| Reactivity | Human |
| Host | Rabbit |
| Clonality | Polyclonal |
| Calculated MW | H= 86 KDa |
| Isotype | Rabbit IgG |
| Antigen Source | HUMAN |

ITGB8 Antibody (Center) - Additional Information

Gene ID 3696

Antigen Region
197-231

Other Names
Integrin beta-8, ITGB8

Dilution
WB~~1:1000
IHC-P~~1:25

Target/Specificity
This ITGB8 antibody is generated from a rabbit immunized with a KLH conjugated synthetic peptide between 197-231 amino acids from the Central region of human ITGB8.

Format
Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification.

Storage
Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

Precautions
ITGB8 Antibody (Center) is for research use only and not for use in diagnostic or therapeutic procedures.

ITGB8 Antibody (Center) - Protein Information

Name ITGB8 ([HGNC:6163](#))

Function

Integrin alpha-V:beta-8 (ITGAV:ITGB8) is a receptor for fibronectin (PubMed:1918072). It recognizes the sequence R-G-D in its ligands (PubMed:1918072). Integrin alpha-V:beta-6 (ITGAV:ITGB6) mediates R-G-D-dependent release of transforming growth factor beta-1 (TGF-beta-1) from regulatory Latency-associated peptide (LAP), thereby playing a key role in TGF-beta-1 activation on the surface of activated regulatory T-cells (Tregs) (Probable). Required during vasculogenesis (By similarity).

Cellular Location

Cell membrane; Single-pass type I membrane protein

Tissue Location

Placenta, kidney, brain, ovary, uterus and in several transformed cells. Transiently expressed in 293 human embryonic kidney cells.

ITGB8 Antibody (Center) - Protocols

Provided below are standard protocols that you may find useful for product applications.
