

**Anti-Rituximab Monoclonal Antibody (1F3C10)**  
**Purified Mouse Monoclonal Antibody (Mab)**  
**Catalog # AW5693**

**Specification**

---

**Anti-Rituximab Monoclonal Antibody (1F3C10) - Product Information**

|                |   |
|----------------|---|
| Application    | sELISA,E  |
| Host           | Mouse   |
| Clonality      | Monoclonal  |
| Isotype        | Mouse IgG   |
| Antigen Source | Rituxan is a genetically engineered chimeric murine/human monoclonal antibody directed against the CD20 antigen found on the surface of normal and malignant B lymphocytes. The antibody is an IgG1 kappa immunoglobulin containing murine light- and heavy-chain variable region sequences and human constant region sequences. Rituximab is composed of two heavy chains of 451 amino acids and two light chains of 213 amino acids |

**Anti-Rituximab Monoclonal Antibody (1F3C10) - Additional Information**

**Other Names**

Anti-Mabthera monoclonal antibody

**Target/Specificity**

Mouse monoclonal antibody raised against Trastuzumab.

**Format**

Purified monoclonal antibody supplied in PBS with 0.09% (W/V) sodium azide. This antibody is purified through a protein G column, followed by dialysis against PBS.

**Storage**

Maintain refrigerated at 2-8°C for up to 2 weeks. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.

**Precautions**

Anti-Rituximab Monoclonal Antibody (1F3C10) is for research use only and not for use in diagnostic or therapeutic procedures.

**Anti-Rituximab Monoclonal Antibody (1F3C10) - Protein Information**

**Anti-Rituximab Monoclonal Antibody (1F3C10) - Protocols**

Provided below are standard protocols that you may find useful for product applications.

#### Anti-Rituximab Monoclonal Antibody (1F3C10) - Images

Plate was coated with Mabthera and Human IgG1,κ at 1.25 µg/ml in PBS, and then incubated with anti-Mabthera monoclonal antibody (1F3C10) from 0.004 µg/ml to 2 µg/ml. The secondary antibody, HRP conjugated goat anti-mouse antibody, were used at 1:10000 dilution.
